

Tyler, Amber, and Staff-

I just wanted to let you and your staff know how impressed we were with your facility and training that our Lab received.

Fletch is a 6 year old pure bred Labrador Retriever. He has been great with our children, but lacked some manners. When he came to you, walking on a leash was just about out of the question, and he was awful at dinner time. He would charge food and we feared he might be aggressive with it at some point .he would run over my children to get to the door when someone was there knocking.

You took the time initially to listen to all of my concerns and concentrated on the things that mattered the most to us. Its rare that someone listens and follows through with what they say they are going to do.You did!!

After a 1 week of boot camp, Fletch is a dream to walk on a leash. He almost never needs correction.He goes in "place" and a "down stay easily". Dinner time is much easier now and he is still in the same room with us. He has figured out where he fits in with our family and is a pleasure to be around. I will highly recommend you and your business in the future.

Keep up the good work!!!

Pat Reardon
